

# LIVING LEGACY

# Your Charitable Legacy

*The Community Foundation of Central Wisconsin makes it simple to leave a legacy in your community through an estate gift or a planned gift.*

Creating a charitable legacy is one of the most lasting and powerful ways you can continue to show your love of community. The Foundation offers a wide range of options to create a personalized legacy that reflects your values.

## Options to achieve your philanthropic goals:

- Bequests
- Life Insurance
- Retirement Plans
- Real Estate
- Charitable Gift Annuities
- Charitable Lead Trusts
- Charitable Remainder Annuity Trusts

The **Heinz Living Legacy Circle** recognizes donors who have made arrangements through their estate planning that will support their charitable giving legacy through the Foundation.

You can leave a legacy by starting an endowment fund, scholarship fund, or by leaving a gift that will support the Foundation's work in our community.

Since estate gifts are often made after the donor's death, the **Heinz Living Legacy Circle** allows the Foundation to recognize those individuals now who are planning to make a difference in this community in the future.

The Living Legacy Circle Letter of Intent is all you need to document your legacy plans. Information you provide is not legally binding and may be changed at any time at no cost.
